### **CAREER COUNSELLING SESSION BY ALUMNA**

The Department of Mathematics, Janki Devi Memorial College, University of Delhi in collaboration with the JDMC Alumnae Association organised a career counselling session on “Building a Gainful Career instead of Getting a Job”. The session was held on 18th October, 2023 in room number 14. The speaker for the session was Ms. Aparna Nayyar, an alumna of the Department of Mathematics of the batch 2013-16.

The speaker was welcomed by Dr. Sharda G. Gautam, Vice President, Alumnae Association, Ms. Teena Kohli and Ms. Chanpreet Kaur, Executive body members of Alumnae Association with a memento. The speaker started the session by emphasising the importance of asking questions in life and expressed how this helped her find her interest in clinical psychology. She went on to explain the need of a scheduled life and the importance of sleep schedules as well as reminded the audience to eat healthy and plenty to help increase retention capacity. She also informed the audience about a lot of psychological tricks and methods to increase concentration to help them in the long run. The session ended with an informative question answer segment.

The session was extremely interactive and informative for the students and the faculty members. It was attended by 117 attendees including students from the Department of Mathematics as well as the other departments.
