1. Alumnae Meet 2025

The Alumnae Association of Janki Devi Memorial College organized an alumnae meet 2025 on Saturday, 29th March 2025 at Hyatt Centric, Janakpuri to mark the blue Sapphire year of the college i.e. 65th year of the college. Our senior retired alumnae members, former President of JDMC Alumnae Association Dr. Poonam Sharma, Dr. Sharda Gautam and Mrs. Usha Rajput were honored, who were alumnae of this college as well. More than 300 students enjoyed this lovely evening together. The Principal, Prof Swati Pal in her address, welcomed all the Alumnae and took great pride in sharing the current achievements of the college, such as the international collaborations with universities in Uzbekistan, Bhutan, and Colombo, which have resulted in excellent international conferences. She spoke about how the college has always been striving for excellence and the role of the Alumnae in laying the foundation of the college as an empowering educational institution. She requested the Alumnae to play a more inspiring role for present activities in colleges and was proud that JDMC Alumnae shone in all walks of life be it law, education, entrepreneurship, entertainment, management, and the armed forces.

3. Alumna Talk on How to Write an SOP

The Alumnae Association of JDMC, in collaboration with the Centre for International and National Programme and the Department of Mathematics, organized an online session on **How to Write a Statement of Purpose (SOP)** for higher education applications on February 22, 2025. The speaker of the session was Ms. Nikita Kohli, an alumna of JDMC and currently working as an AI Developer at Ezofis, Canada. The session aimed at providing students with essential strategies to enhance their SOPs and improve their chances of securing admissions to prestigious universities worldwide.

Ms. Nikita Kohli

- Bachelor's in Mathematics from Janki Devi Memorial College.
- Passionate about the math behind machine learning algorithms.
- Completed IELTS and wrote strong SOPs for higher studies.
- Master's in Data Science from Thompson Rivers University, Canada.
- AI Developer at Ezofix, a software development company.
- Works on consulting, AI agent development, and machine learning models.
- Skilled in Bayesian statistics and Data Science.
- Analyzes diverse data types, including text and satellite images.
- Aspires to grow into a senior or director role in AI and Data Science.
- Committed to innovation and industry impact.

4. The Department of Sanskrit in collaboration with Alumnae Association organised an alumna talk on **Self Confidence is The First Step of Yoga Practice** on November 26, 2024. (For more details, refer to the report of the Department of Sanskrit.)
