CHAIRPERSON

Message

I am delighted to pen this message on the 64th Annual Day of the Janki Devi Memorial College. The college was founded in 1959 because of the vision and far sightedness of my grand uncle Shri Brij Kishan Chandiwala, for 800 girl students. Today the college imparts quality education to over 3000 girls. This journey of JDMC has been long and arduous but just as fulfilling.

The college has consistently demonstrated its dedication to delivering top-quality education to female students, empowering them to become self-reliant. The importance of girls' education cannot be overstated in any progressive society, and I wholeheartedly commend JDMC for its unwavering commitment to this mission.

I am also pleased to highlight the college's recent achievement of international collaboration with Uzbekistan. Janki Devi Memorial College has also successfully completed the second cycle of the esteemed ISO 21001:2018 and 9001:2015 certifications. Such milestones could not have been reached without the skilled leadership of the College Principal, Prof. Swati Pal, the dedicated faculty members, the non-teaching staff, and the diligent students. Their perseverance and hard work have brought great prestige to the college.

I am filled with optimism that the college will continue to scale new heights and establish fresh benchmarks in women's education.

My best wishes to the entire JDMC family!

Ms. Anuradha Krishna Chairperson Governing Body JDMC

FOUNDER OF THE COLLEGE

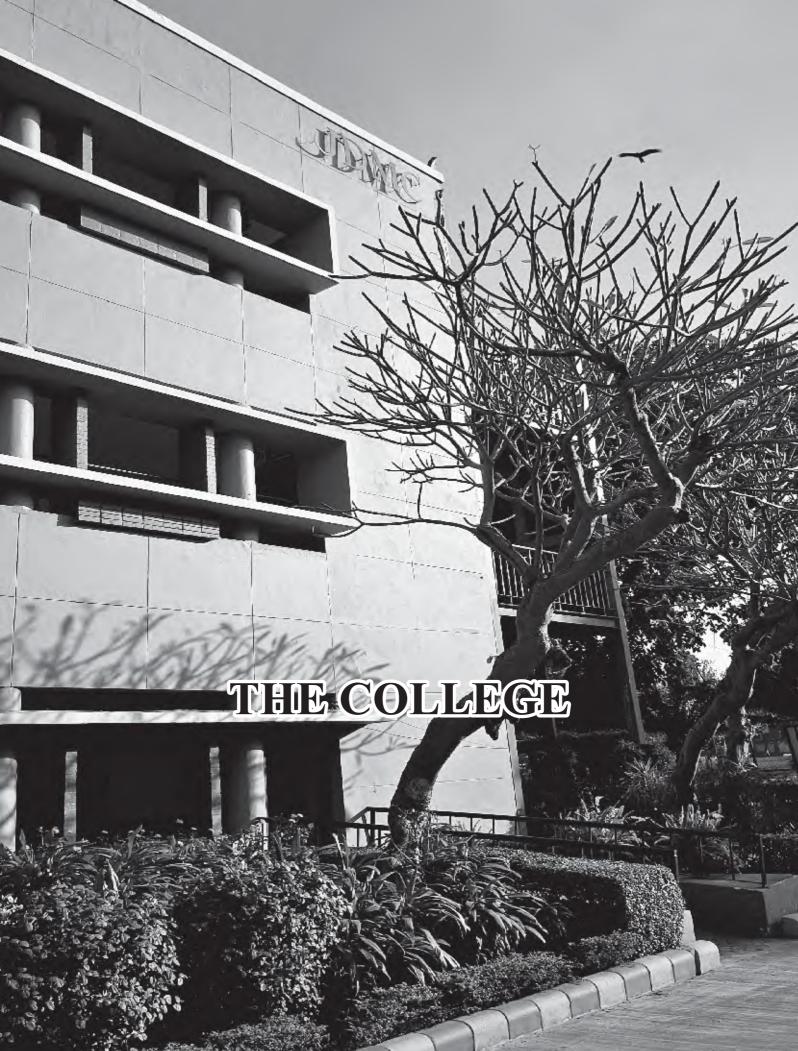

Shri Brij Krishan Chandiwala (1900 - 1986)

Shri Brij Krishan Chandiwala, the founder of Janki Devi Memorial College was born in 1900 in a reputed family. As the third son of a flourishing silver merchant's family, there were no domestic pressures on him to join the family business. After the early demise of his wife, he joined the freedom movement led by Gandhiji. His mother's entreaties to remarry fell on deaf ears. Brij Krishanji became a true disciple of Gandhiji. He went to jail several times during the freedom movement. When Gandhiji started the agitation against the Salt Law, Brij Krishanji took an oath to give up salt and sugar for life. He was forced to break this vow in the last days of his life on health grounds.

At Gandhiji's behest, he had a prayer temple built in a Harijan Colony. He started the Delhi chapter of the Bharat Sewak Samaj, an organization for the upliftment of the downtrodden.

In 1959, Shri VKRV Rao, the then Vice-Chancellor of Delhi University appealed to the wealthy philanthropists of the city to come forward to open girls colleges in Delhi. It was then, that Brij Krishanji who had no children, donated all his inherited wealth to the family trust Shri Banarsidas Chandiwala Sewa Smarak Society which in turn funded the establishment of Janki Devi Memorial College in memory of his late mother Smt. Janki Devi.

Today Brij Krishanji is remembered for his social service and closeness to Gandhiji. When Nathuram Godse fired that fatal shot, Bapu fell backward into the arms of Brij Krishanji who was sitting right behind him. Till his very end, this great visionary remained our mentor and guide.

PRINCIPAL'S ANNUAL REPORT 2023-24

Good Morning. Distinguished guests, esteemed members of the Governing body, retired and serving faculty members as well as non-teaching staff, beloved students and dear friends, a warm welcome to all of you for the Annual day celebrations of the academic session 2023-2024. I am delighted to see you all here and I am sure that you will be very happy to be updated about the progress of the college. In particular, I would like to welcome and thank our Chief Guest, Hon. Ambassador, Dr. Shankar Prasad Sharma, our Guests of Honour, Prof. Kumaraswamy and Mr. Armstrong Pame, the Chairperson of our Governing Body, Ms. Anuradha Krishna and Dr. Kusum Krishna, ex Chairperson of the Governing Body, for sparing their valuable time, that too in this weather for our Annual day celebrations and Prize Distribution ceremony. We are honoured by your presence. I would also like to thank the Chairperson of the Banarsi Das Chandiwala Sewa Smarak Trust Society, Mr. Aditya Krishna, and other members of the Governing Body whose encouraging spirit and unstinted support we feel even when they are unable to join us physically for the event.

We have reached a level of excellence and public acclaim not overnight but through more than six decades of consistent efforts on the part of all stakeholders. Hence it is only right that we remember those who served the college and are now in their heavenly abode. Mrs. Pushpa Behl retired as Professional Assistant on September 30, 2010. She served the college library for more than 36 years. She performed all her duties efficiently and with commitment, always with a smile on her face. She left for her heavenly abode on March 6, 2024. She will forever be remembered for her dedicated service to the college.

In the academic session 2022-2023, the college had been awarded an A plus by NAAC and had also been awarded, after a rigorous audit process, with an ISO 21001:2018 and ISO 9001:2015 by Centre for Assessment and Excellence (COAE). These achievements of the previous academic session and many others of this academic session i.e., 2023-2024, have certainly elevated the status of the college. A spirit of jubilation has prevailed in the college and this has earned for the college the recognition of *Joyful Institution* at a global level, awarded by COAE. Furthermore, in the 2023-24 academic session, the college received a Certificate of Accreditation with A+ Grade from Mahatma Gandhi National Council for Rural Education (MGNCRE), Ministry of Education, Government of India. The college had also received a District Eco-SDG Champion award for its support to Sustainable Development Goals and Social Responsibility, and the college successfully completed the second year of auditing for the ISO certification. We remain the only Delhi University college so far to have been ISO 21001certified. These and many success stories that will unfold in the course of the presentation are a testament to our commitment to set higher benchmarks for ourselves with every passing year and our will to ensure that there is a constant quality enhancement.

One of the most significant developments of the current academic session that I would like to mention at the outset, has been the forging of international ties that the NAAC peer team had in March 2023, advised the college to secure in order to expand our horizons, provide a global platform for participation and collaboration as well as a global perspective, for the students and staff of the college. It is my immense pleasure to share that the college under the able guidance of our IQAC Coordinator, Prof. Payal Nagpal, and the Director of the Centre for International Collaborations, Prof. Rajyalakshmi, aided by their teams, have signed MOUs for academic collaboration between the college and: (i) Oriental University, Tashkent, Uzbekistan; (ii) Samarkand Institute of Economics and Service, Samarkand, Uzbekistan; (iii) Margilan Technikum of Tourism and Cultural Heritage (Silk Road International University); (iv) Research Centre for the Study of Eastern Culture and Heritage, Tashkent State University of Oriental Studies, Uzbekistan; (v) Research Tourism Development Institute, Uzbekistan. These collaborations promise to open the windows of greater opportunities for our students as well as faculty members. Already, we have had

faculty members being invited (with all expenses paid) to present at academic seminars in Uzbekistan. Reciprocatively, the college has provided opportunities to the higher educational collaboration-partners to participate in our seminars and conferences. This has been a praiseworthy development.

I am pleased to report that JDMC was made one of the 15 Nodal centers for the G20 celebrations in University of Delhi. The college was asked to represent Argentina. The remarkable event, encompassing both academic as well as cultural themes, was power packed and drew the attention of media houses. The Vice Chancellor, University of Delhi, Prof. Yogesh Singh, graced the occasion with his presence.

I must point out that the Annual Report is itself a compendium of all that takes place within college in an academic session. It is extremely detailed and is accessible on the college website. Hence, I will only be giving a bird's eye view of some of the highlights of the academic session 2023-2024.

To foreground some of the academic achievements of our students:

Around 150 students benefited from these add-on courses. Pratibha, foundation classes for competitive exams, working under the aegis of Career Counselling and Career Opportunities, successfully conducted a year-long comprising of 147 modules of two hours each.

Employability is a major concern of HEIs. The Career and Counselling (Placement) Cell of JDMC has tirelessly endeavoured to increase students' employability by facilitating and organizing campus recruitments and internships. In the academic session, 23-24, the Placement cell facilitated recruitment drives by eleven companies (2 on campus and 9 off campus) for our students. Prominent among the companies that visited JDMC were Fluor Daniel, EY GDS, Accenture, Planet Spark, Wise Finserve, Zomato etc. Since June 2023 Forty-nine (49) students were placed through campus recruitment and we hope to see more in the months prior to the next academic session. The Cell also facilitated internships of 90 students in such organisations as Talent Serve, Sirona Hygiene, Nestle, Swiggy, Aim group etc. Internshala, with whom the college has a collaboration, provided internships to approximately 100 students.

Not just the Placement cell, various departments too enabled internships. Twelve students from B.A. (Prog.) completed their internships from different companies/organisations. Eight students pursued various certificate courses from recognised institutions such as Duke University, Indian Institute of Governance and Leadership etc. Twenty-five students from department of Commerce completed internships with various companies/organisations that included GRInista; ZIELHACH; Younity; Aashman Foundation; Fuel media; 360-degree Media Company; Policy Politics and Governance Foundation; Yakult; and Parle etc. Thirteen students from Economics department interned with 23 organisations/companies, while twelve students from the department pursued various certificate courses from recognised platforms/institutions such as: Green Skills Passport; EY & Microsoft; IP Awareness and Training Program from Intellectual Property Office, India; Data Monitoring & Evaluation from Impact and Policy Research Institute; Women in Data program, Dell Technologies; Data Analytics in R Programming, Google; Udemy etc. Six students from the Mathematics department interned with diverse companies/organizations, including Vice Chancellor Summer Internship at University of Delhi, U21. The Research Center of JDMC has been steadfast in fostering a research environment in the college. Fifteen faculty projects were funded by the college, and three research projects were funded by external sources. Six students and faculty collaborative projects and sixty-nine student projects have been undertaken this academic session.

While the students shone in their fields and availed of the multiple opportunities that were provided through various platforms, faculty members of the college have also been working with dedication and zeal. It is wonderful that in this session, the college has completed the process of recruitment of permanent faculty members across all departments, thus ending the more than decade long ad-hocism that prevailed in the college. We welcome all our new faculty members with open arms and wish them good luck in all their efforts as committed members of the JDMC parivar!

Since each publication, award and paper presentation is invaluable, it is best that details of each be accessed from the other sections of the Annual Report so that nothing is missed out. However, it would be apt to share the achievements of the faculty members, quantitatively: Seventy-five peer reviewed articles were published in reputed journals indexed in Scopus, UGC Care, Web Of Science etc. Sixteen books

authored, co- authored or edited, along with twenty-one chapters in books were published in the last academic year. Twenty-one e-content modules were also created for the benefit of students. One translation work deserves special mention – Authored by our beloved founder, Brij Krishan Chandiwala, Dilli ki khoj, was translated into English by Jitender Gill and Namita Sethi of the English Department; titled In search of Delhi, the book was published by Routledge in June 2023. Five newspaper articles, both print and online, have been published in the last academic year by faculty members of the college. As many as 31 honours and distinctions have been awarded to teachers for research expertise, best papers at conferences; extension activities; empowered women awards; contribution to flagship efforts of the government; fellowships etc. Two faculty members were promoted to Professor this academic session, bringing the number of professors at college up to nineteen while four faculty members were awarded their doctoral degrees. Sixteen faculty members across departments have taken on research guidance for M. Phil. and Ph. D. students. All teachers participated in Faculty development programs and training workshops to enhance their skills. These included the ones organized under the aegis of the IQAC for enhancement of ICT skills, usage of smart-boards, sensitization regarding accreditation and NEP and the FDPs conducted in collaboration with Guru Angad Dev Teaching Learning Centre, SGTB Khalsa College, University of Delhi under the Pandit Madan Mohan Malaviya National Mission on Teachers and Teaching. More than 90 paper presentations/talks/keynote addresses/ chairing of sessions/podcasts/lectures were done by faculty members at the college/university/national and international levels for conferences/seminars and workshops. The numbers as we can see in each category are very promising indeed. The non-teaching staff of the college too have been constantly attempting to upgrade themselves. Dr. Kaushal Kishore was promoted to the Senior Scale; Mrs. Puspha Rawat was promoted to Section Officer; Mr. Varun Jain was promoted to the post of Senior Assistant; Mr. Vijay Pratap promoted to the post of Assistant; Mr. Randhawa Singh and Mr. Krishan Kumar were promoted to the post of Junior Assistant and Mr. Arvind Pal assumed the role of Acting SO on the retirement of Mrs. Poonam Abot. Mr. Avinash, Mr. Dinesh Chand Bahuguna, Mr. Kumer Pal, Mr. Omvir Singh and Dr. Nivedita Sharma successfully undertook training and skill enhancement programs to upgrade their knowledge and skills.

A number of infrastructural developments are lined up for completion and inauguration in the coming months. Meantime, the college has undertaken to enhance facilities by the addition of 4 smart boards in classrooms and 40 desktop computers. A beautiful fountain has been installed at the entrance of the college.

The theme for the college for this academic session has been *UDAY: awaken the light within*. Being enlightened includes thinking about the greater good and reaching out to a larger community that may not have the privileges that many of us do. This requires an inner light springing from our value system and sensitivity. The college has always been concerned about those in distress and innumerable extension and outreach activities have been conducted this academic session too. The Centre for Extension and Outreach activities led by Ms. Nirmala Muralidhar and Dr. Sudnya Kulkarni with their team, have conducted several activities under the 'Community First' initiative, to name a few notable ones: Organised a session on 'Uniting for a Glaucoma Free World'; Sensitization on Retinoblastoma; a session on Community-based Approach on the occasion of World Cancer Day; organised 'Donate a Thali' initiative, in collaboration with Love Care Foundation, in which thousand (1000) thalis were distributed to the children, women and elderly in Kaushambi, Ghaziabad; organised a Book Collection Drive for Jazbaa Foundation (NGO); in association with the National Community Engagement Academic Network; organised a workshop on youth activities for the aged on National Youth Day; organised a Joy of Giving Week (Daan Utsav) from October 2-8, 2023 in which food items, stationary, insulated jugs etc. were distributed in the Skill Development Centre, RHA slums, senior citizen home, Possangipur Village (adopted by the Centre), and

nearby neighbourhood areas; in collaboration with Robin Hood Army celebrated Independence Day and successfully completed Mission Swades on August 14, 2023. 1094 kgs of ration was contributed. The other arms of the Centre i.e., NSS, NCC, Equal Opportunity cell (Enabling unit) as well as JDMC's academic departments have, at their individual levels, all adopted several meaningful extension and outreach activities: be it for the less abled within college through the Women in Data programme as taken on by the Enabling Unit; mentoring and donation drives at the Nuna Majra village adopted by the NSS; and many cleanliness drives and sensitisation programmes etc. that have been conducted by the NCC. I must also add that the fee assistance committee labours hard to assist students who are unable to pay fees and I gratefully acknowledge the voluntary donations of so many people who have enabled the committee to provide financial support. Recently, a student whose house fell apart was helped by several individuals, JDMC Staff Association, JDMC faculty members, as well as by a generous donation from the Vidyawati Foundation – my gratitude to teachers, other individuals and to Dr. Kusum Krishna and Ms. Anuradha Krishna.

In addition, the Centre for Study of Disability Inclusion (CSDI) organised many events aimed at promoting awareness, education, and inclusivity. These include the Audio Book Recording under Vidya Vistaar Scheme, University of Delhi. A book titled, *Income Tax*, consisting of 270 pages with playtime of 30 hours was recorded by Fiza Khan, II Year Student of B. Com at the recording studio of JDMC. The book has been recorded solely for the print disabled/visually impaired students. Among its many activities, the Centre organized a workshop on 'How to use Kurzweil 1000'; another on 'Basics of Braille'. Students were sensitised to the challenges faced by visually impaired individuals through tactile games and demonstrations. Several talks and lectures as well as relevant movie screenings formed part of the Centre's activities. The Centre mentors Devnar College for the Blind under the Vidya Vistar Scheme and there have been many successful activities conducted by the Centre to foster confidence and build the personalities of the students of Devnar College. Recently, the Centre has decided to sensitise the neighbourhood schools about disability and have already signed an MOU for the same with Bal Bharti School at Rajinder Nagar and conducted a sensitisation workshop for teachers of the school.

The Students' Union of JDMC organized several events for the session 2023-24. The Staff Advisors, Ms. Pouriangthanliu, Dr. Vijay Kumar Badetia and Dr. Akanksha Kumar, together with members of the Students' Union – Ananya Narang, President; Arushi Chauhan, Vice President; Somya Narula, General Secretary; Divyanshi Singh, Treasurer – and teammates from the extended body, are to be congratulated for the excellent facilitation of events all through the academic session. They conducted fire drill sessions, road sensitization workshops on Road Traffic Accidents and, in commemoration of Maxillofacial Surgery Day on August 25, underscored the importance of wearing Helmets. They also celebrated earmarked days such as Republic day, Independence day, Founders day, Teachers day and so on. Perhaps the two most significant activities have been the annual Cultural Festival, Symphony '24 and the conduct of the G20 program. It has been heartening to see the Students Union evolve as leaders, committed to the college and passionate about all they undertook for the college. The mentorship provided by the senior students and the involvement with the IQAC and ISO activities has been commendable. I am proud of the way that the student leaders and their advisors have proved their mettle especially in moments of crisis; it shows their potential to lead the way for others. The work done all the year through by the Students Union and Staff Advisors is commendable and appreciated by all.

Apart from the Students' Union activities and events, all the Clubs, Societies and Departmental associations as well as Centres/Cells/ Committees engaged in innumerable activities all through the year. The conducted online and in-person workshops, national and international webinars and intra as well as inter-college events and competitions. A total of 74 webinars/seminars/conferences were held this year, of which 4 were international and 70 were national and institutional level. Such exposure is vital for students

who benefit enormously from the additional knowledge they gain through their interactions with experts from different domains. The college saw yearlong activities, almost on a daily basis due to the relentless efforts of all clubs, societies and department associations.

The college is proud of the work done by Aamdani: the Finance and Investment Cell; Abhivyakti- the Hindi Debating Society; Alumnae Association; Anubhuti- the Street Theatre Society; Avani- the Environment Club; Bardolators: The Shakespeare Society; Chetna: The Spiritual Consciousness Cell; Enactus; Ethiad: The MUN-Youth Parliament Society; Euphonie: The Western Music Society; Girl Up Nitara; Heritage Club; Inquizition: The Quiz Society; Impreneurs: The Entrepreneurship Cell; Incubation Program- Anupam; Iridescent: The English Creative Writing Society; Jhankaar: The Indian Folk Dance Society; Kalakriti Art Club; Logos: The English Literary Society; Lumiere- The Film and Photography Club; North East Students' Group (NESG); Nritya: The Western Dance Society; Parag- हिंदी साहित्य संस्था; Rhetorque: The English Debating Society; Sarang: The Classical Indian Music Society; Spic Macay Heritage Club; Upvan: The Garden Club, all of whom conducted innumerable workshops, competitions, talks and various other activities all through the academic session. They have been relentless in their efforts.

The college has been functioning efficiently all through the year with the cooperation of the three wings that form the non-teaching section of the college, the administrative section, the accounts section and the library. A lot of what was achieved such as permanent faculty recruitment and promotions as well as disbursal of funds in a timely manner was possible only because of the constant efforts of the non-teaching staff who left no stone unturned to ensure that everything moved seamlessly. In the same breath, I must thank Dr. Chugh who is devoted to the well-being of all within the campus and takes tremendous care of the medical needs of faculty staff and students. I must convey too my thanks to the nurse who is efficient in the discharge of her duties. The support staff of the college keep our college clean and green and work steadfastly behind the scenes. Without them the atmosphere of the college would not be favorable for a strong teaching learning process. Additionally, we are grateful to JDVC and its dynamic Director, Ms. Madhuri Verma, who have offered excellent courses for skill enhancement of our students and facilitated such events as the G20.

A number of other committees and individuals worked tirelessly through the academic session such as the Teachers in-charge of all departments, Centre core team members, Admission and Admission Grievances Committees especially Nodal Officer, Attendance Committee, Workload Committee, Time-Table Committee, Examination Committee, Central Cluster Committee, SEC and VAC Nodal Officers, Library Committee, Decoration Committee, Discipline Committee, Building and Maintenance Committee, Hostel Committee that looks into each aspect for the wellbeing of the hostel and its inmates, Website Committee, Canteen Committee, Refreshment Committee, ICT and Automation Committee whose conveners, Ritu Arora and Amita Charan, along with their team members provide excellent training sessions all through the year for faculty and non-teaching staff, website committee, Swachhata team, Nadi Ko Jano team, Garden Committee, Internal Complaints Committee, Apex Grievance Committee, SC/ST/OBC Liasion Officers, the College Bursar, the Staff Council Secretary, the PIO, the Magazine Committee, the Nodal Officer for Foreign students and Kashmiri students, NESG Committee, Anti-Smoking and Anti Ragging committees, Prospectus Committee, Prize Distribution Committee, Equal Opportunity Cell, Enabling Unit, Publicity and Media Committee, ISO Team, IQAC-Promotion Committee, NEP Committee, NIRF Committee, Provident Fund Committee, Purchase Committee, Moderation and Monitoring Committees, Alumnae Executive Committee, Counselling Committee that looks into the mental wellbeing of all in college through many specialized sessions, Annual Budget Committee, E- Waste Committee, Add-on Course Committee, Fee Assistance Committee, Green Audit Committee, Rajbhasha Committee, Bhartiya Bhasha Samiti, Gandhi Study Circle, Committee for Online Forms, Remedial Classes Committee and the College Grievance Redressal Committee, Viksit Bharat Nodal Officer and committee, and the newly formed Electoral Literacy Club . I must also mention the efforts of the Internal Audit Committee which painstakingly audits the work of the Administrative office, Accounts Office and the Library which helps to redress weaknesses and enhance strengths. Apart from these, I must congratulate the NCWEB coordinator and deputy as well as the entire NCWEB team for the dedication with which they have worked for the NCWEB students of our Centre.

The quality control that the college has undertaken through the NAAC accreditation process, the NIRF as also the ISO process has meant that a number of people apply themselves constantly to the task of analyzing and evaluating the progress of the college and evolve practices that may enhance the progress of the college. For their constant endeavors and positive approach, I must applaud certain people, the IQAC coordinator Prof. Payal Nagpal and the core committee members for all their efforts but in particular, their efforts to streamline processes and build public perception through media support; I must in the same vein thank Dr. Shilpa Chaudhary and Prof. Ruby Bharadwaj and the ISO team for the quiet will with which they have worked to ensure that the college sails through the audit process for the continued validation of the ISO certification. And not to forget the Vice Principal, Prof. Sandhya Garg who can always be relied upon to help in any of the processes that require her skills and expertise be it for Rajbhasha, promotions, NIRF or ISO. Thank you all.

The Garden Committee and their club, Upvan, have done a splendid job not only in maintaining the college lawns and gardens. They have also added a large number of herbal and indigenous plants. The club won several prizes, in multiple categories at the 66th Annual Flower Show of the University of Delhi. The college won 15 prizes in all including the Golden Jubilee Year Cup and the Jagrani Devi Memorial Cup.

The Annual Report Committee makes it possible for us to take stock of all that we have achieved in the academic session and I am really grateful to them for the Report which has evolved into an aesthetically pleasing document; as also to the power point presentations handled by the committee. My personal thanks to all members of the committee: Rajshree Chandra, Sangeeta Gupta, Deepti Sethi, Tanu Gupta, Kanika Kakar, Raju Keshari, Sonia, Sakshi Bansal, Tannu Sharma, Kush Gayasen, Ankita, Nancy, Shivani Burnwal, as also to the assistance provided by various members of the non-teaching staff.

In the coming academic session, the college would be entering its sixty fifth year. I believe it is the sapphire year. Sapphire, also called Neelam (in Hindi), and Indraneelam (in Sanskrit) is one of the most celebrated and feared gemstones. It has remained a notable symbol throughout centuries. It is seen as an emblem of truth, loyalty, strength, judgment, wisdom and wealth- all of those elements are imperative for the wellbeing of our dear college. I pray that we glow like the sapphire as we negotiate life and society. May we all be the light that we seek. My love and blessings to all, thank you.

In continuation of our endeavour to improve our quality standards, following initiatives and activities have been undertaken by the ISO Team:

• The ISO Team organized One Day International Conference, Enhancing Quality and Achieving Excellence in HEIs: Complementary and Converging Roles of NAAC Accreditation and ISO 21001:2018 Certification, under the aegis of the Internal Quality Assurance Cell (IQAC) in collaboration with COAE on February 28, 2024. VIDHYA VISTAR SCHEME COMMITTEE

Nodal Officer – Dr. Shilpa Chaudhary

Members – Prof. Sandhya Garg, Prof. Neeru Vasishth, Dr. Zubeer Ahmed, Mr. Ankan Dhar, and Mr. Anuj Kumar

बिना आधार के इतिहास के तथ्यों को न बदलें : प्रो. सैयद नदीम

नई दिल्ली (एसएनबी)।

बिना आधार के इतिहास के तथ्यों को नहीं बदलना चाहिए। इसके लिए प्रमाणिक खोज, शोध और तथ्य निहित होनी चाहिए ताकि इतिहास का सही मूल्यांकन किया जा सके। वर्तमान में इतिहास के पाठ्यक्रम मिथ या पूर्वाग्रह के आधार पर बदला जा रहा है, जो गलत है। जानकी देवी मेमोरियल कॉलेज के इतिहास विभाग एसोसिएशन 'हेरिटेज क्लब' एवं 'हेरिटेज' द्वारा आयोजित डिस्टिंग्विश संवाद सत्र में अलीगढ़ मुस्लिम विश्वविद्यालय में इतिहास विभाग के उन्नत अध्ययन केंद्र के प्रख्यात प्रो. सैयद अली नदीम ने विचार व्यक्त किए।

उन्होंने कहा कि भारतीय उपमहाद्वीप और दक्षिण एशियाई वास्तुकला और इसकी शैलियां में भारत की मध्यकालीन वास्तुकला अद्वितीय थी जो संस्कृति और विरासत के रूप में धार्मिक सहिष्णुता को दर्शाती है। यह भी

प्रमाणिक खोज, शोध और तथ्य निहित होनी चाहिए तािक इतिहास का सही मूल्यांकन किया जा सके

कहा कि कुछ साहित्य में जड़ता दिखाई देता है जो बहस का विषय है, जिस पर शोध चल रहा है आने वाले समय में कुछ तथ्य निकल कर आयेंगे।
