

## **DEPARTMENT OF MATHEMATICS**

### **About the Department**

The Department of Mathematics aims at providing in-depth knowledge of the subject which enables students to pursue their career in a diverse range of fields like banking, civil services, corporate sector, actuarial sciences, teaching, research and many more. For the overall development of students, a varied range of activities are organized which includes talks, seminars, workshops, quizzes, field visits, excursions and fun events.

**Teacher In-Charge:** Dr. Ritu Arora

**Association In-Charges:** Ms. Geetanjali Raiya, Mr. Aditya Robin Singh, Mr. Shankar

### **Activities 2023-2024**

#### **Career Counselling, April 26, 2024**

The Mathematics Department in collaboration with Sanskrit, and the Philosophy department organised a session on career counselling. The resource person presented the option of Law as a career option after graduation. The students were presented with various opportunities within the domain of law as a career option. A total of **34** students attended the session. The speaker also informed the students and the faculty alike as to how a study of law makes an individual better informed and logical in their approach.

**Objectives:** To familiarise students with Law as a career option after graduation

**Learning Outcomes:** Understand the diverse career opportunities available in the field of law after graduation.

## TALK ON CLIMATE CHANGE AND ITS IMPACT ON WOMEN'S WELL-BEING April 22, 2024

The Department of Mathematics, Janki Devi Memorial College, University of Delhi organized a talk on Climate Change and Its Impact on Women's Well-Being under the aegis of IQAC on 22nd April 2024, from 12:30 pm in Room 14. The speaker invited for the event was Prof. Ruby Bhardwaj, a Professor in the Department of Sociology, Janki Devi Memorial College.

The event started with the felicitation of Prof. Ruby Bhardwaj by the TIC of the Department of Mathematics, Dr. Ritu Arora. The speaker started her talk by discussing the various SDG Goals and how Women as a part of society create an impact on those goals. She emphasizes that if progress is tried to be made without the well-being of women kept in mind, the ultimate Goal can never be achieved. She showed various case studies to support her claim. She ended the talk by giving solutions as to how changes can be made to create an inclusive society that supports and works on the well-being of women. The event ended with a question answer session followed by the Vote of Thanks delivered by Dr. Ritu Arora.

The event was attended by the Students and faculty members of the Department of Mathematics. The students found the session to be highly insightful and helpful in understanding the importance of women's well-being.

Objective - To learn the impact of women's well-being on the society as a whole.

Learning Outcome - The students got to understand the drastic problems faced by the society due to the ignorance of women's well being.

## TALK ON UNDERSTANDING GENDER April 22, 2024

The Department of Mathematics, Janki Devi Memorial College, University of Delhi organized a talk on Understanding Gender under the aegis of IQAC on 22nd April 2024, from 11:45 am in Room 14. The speaker invited for the event was Ms. Nirmala Murlidhar, an Associate Professor in the Department of HDFE, Janki Devi Memorial College. The event started with the felicitation of Ms. Nirmala Murlidhar by the TIC of the Department of Mathematics, Dr. Ritu Arora. The speaker started her talk by asking the audience about their understanding of the term gender. She then continued explaining the various aspects of gender and the impact of it in day to day life. She emphasized the importance of inclusivity and acceptance in today's society. The event ended with a question answer session followed by the Vote of Thanks delivered by Dr. Ritu Arora.

The event was attended by the Students and faculty members of the Department of Mathematics. The students found the session to be highly insightful and helpful in gaining a deeper understanding of gender.

**Objective** - To gain a deeper understanding of gender.

**Learning Outcome** - The students gained a deeper understanding of gender.

## CAREER COUNSELLING April 3, 2024

The Department of Mathematics, Janki Devi Memorial College, University of Delhi organized a Career Counselling session in the field of Mathematics under the aegis of IQAC on 3rd April 2024, from 11:00 am in the Seminar room.

The event started with the felicitation of the speaker Prof. Gurpreet Singh Tuteja, Joint Dean Student' Welfare, University of Delhi by the TIC of the Department of Mathematics, Dr. Ritu Arora. The speaker shared a link with the audience that lead to O\*Net Test which checks the interests of an individual and statistically gauges it and suggests job zones and career paths that align with the individuals interests. Prof. Gurpreet explained how the different classifications and scores implied the interests of the individuals and also what needs to be done if the results don't align with the plan the individual has in mind. He also took live examples and explained the cases in detail. The event ended with a question answer session followed by the Vote of Thanks proposed by Dr. Teena Kohli.

The event was attended by **146** students and the faculty members of the Department of Mathematics. The students found the session to be highly insightful and helpful in their future endeavours.

**LEARNING OBJECTIVE:** To apprise students about different career paths available to them after completing B.Sc.(H) Mathematics.

**LEARNING OUTCOME:** Students were able to understand their interest areas for further studies. They also learned about the prerequisites and application process for these courses, as well as the several Indian institutes that offer them.

## PI-Day, March 14, 2024.

On March 14, 2024, the mathematics department organized a special  $\Pi$ -Day event centered around the screening of "A Beautiful Mind." The movie, which delves into the life of mathematician John Nash, offered attendees a captivating portrayal of his mathematical brilliance and the personal struggles he faced. Dr. Anuradha's insights highlighted the importance of acknowledging mental health issues within academic circles, adding depth to the discussion surrounding the film's themes. Additionally, student reflections, notably Gungun Yadav's perspective as the department president, brought out the significance of resilience and community support in overcoming challenges. Through this event, attendees gained a deeper appreciation for the complexities of mathematical genius and the human experiences intertwined with it, fostering a sense of connection and understanding among participants.

**Objective-** To help students gain an understanding of the struggles of life whilst also fostering their interest in higher and complex mathematical concepts through the movie.

**Learning Outcome-** The students understood about the various mental health issues surrounding the academic life as well as gained a deeper appreciation for the complex mathematical genius portrayed in the movie.

## Screening

## **International Conference on Pure and Applied Mathematics (ICPAM) 2024**

**held on 22, 23 February, 2024**

**Convenors:**

**Dr. Ritu Arora**

**Ms. Teena Kohli**

**Ms. Chanpreet Kaur**

The Department of Mathematics of Janki Devi Memorial College successfully organized a two-day International Conference (ICPAM-2024) funded by NBHM. The conference was inaugurated by Padma Shree awardee Prof. Dinesh Singh serving as the Vice Chairman of the Jammu & Kashmir Higher Education Council and as the Chair of its Executive Committee, Prof Ruchi Dass, Head of the Mathematics Dept., Advisory board member Prof. Geetha Venkataraman and Governing body, JDMC chairperson Mrs. Anuradha Anand graced the inaugural session.

**Objective-** To invite speakers from all over the world to present their papers to help the attendees gain more understanding of Pure and Applied Mathematics and understand its real life uses.

The plenary talks and invited talks by international and national speakers were held.

Advisory Board Members were:

Prof. B.K. Dass

Prof Riddhi Shah

Prof. Dinesh Khurana and

Prof Geetha Venkataraman

Speakers for Plenary and Invited talks were as follows:

1. Padma shree awardee Prof Dinesh Singh

2. Prof. Shobha Bagai

3. Prof. Meena Sahai

4. Prof. Ram Murty

5. Prof. Rekha Thomas
6. Prof. Nikita Agarwal
7. Prof. Stefano Innamorati and
8. Prof. Sudhir Ghorpade
9. Dr. Izhar Uddin
10. Dr. Pranav Dass

Session chairs for paper presentation and talks were:

- |                              |                           |
|------------------------------|---------------------------|
| 1. Prof. Geetha Venkataraman | 7. Prof. Arun Pal         |
| 2. Prof. Shobha Bagai        | 8. Dr. Ritu Arora         |
| 3. Prof. Meena Sahai         | 9. Dr. Pragati Gautam     |
| 4. Prof. Sudhir Ghorpade     | 10. Dr. Ramesh Kumar Vats |
| 5. Prof. Nikita Agarwal      | 11. Dr. Sachin Kumar      |
| 6. Prof. Surbhi Madan        |                           |

The conference was well attended by nearly 100 delegates and 70 papers were presented by scholars across the globe.

**Learning Outcome-** The attendees gained an insight of the various problems that can be addressed with the use of Pure and Applied Mathematics as well as got to learn the skill of paper presentation.

*Presents*

**INTERNATIONAL CONFERENCE ON PURE AND APPLIED MATHEMATICS**

**PROF. RAM MURTY**  
QUEEN'S RESEARCH CHAIR

**PROF. SHOBHA BAGAI**  
COORDINATOR OF THE DESIGN INNOVATION CENTRE  
(UNIVERSITY OF DELHI)

**PROF. DINESH SINGH**  
VICE CHANCELLOR JAWAHIR AND KASHMIR  
(HIGHER EDUCATION COUNCIL)

**PROF. MEENA SAHAI**  
PROFESSOR OF MATHEMATICS  
(UNIVERSITY OF LUCKNOW)

**Venue : Seminar Room**  
TIME : 9.00 A.M. ONWARDS  
22ND FEBRUARY, 2024

DR. RITU ARORA  
MS. TEENA KORI  
MS. CHANDPREET KAUR  
CONVENORS

DR. RITU ARORA  
TEACHER-IN-CHARGE

PROF. PAYAL NAGPAL  
IQAC COORDINATOR

PROF. SWATI PAL  
PRINCIPAL

**JANKI DEVI MEMORIAL COLLEGE**  
(UNIVERSITY OF DELHI)

**DEPARTMENT OF MATHEMATICS**

*Presents*

**INTERNATIONAL CONFERENCE ON PURE AND APPLIED MATHEMATICS**

**DR. IZHAR UDDIN**  
ASSISTANT PROFESSOR  
(JAMIA MILLIA ISLAMIA)

**PROF. SUDHIR R. GHORPADE**  
INSTITUTE CHAIR PROFESSOR  
(AT BOMBAY)

**PROF. NIKITA AGARWAL**  
PROFESSOR  
(THE INDIAN INSTITUTE OF SCIENCE  
EDUCATION AND RESEARCH BHOPAL)

**PROF. REKHA THOMAS**  
PROFESSOR  
(UNIVERSITY OF WASHINGTON)

**DR. PRANAV DASS**  
ASSISTANT PROFESSOR  
(DEPARTMENT OF COMPUTER SCIENCE  
UNIVERSITY OF DELHI)

**Venue : Seminar Room**  
TIME : 9.00 A.M. ONWARDS  
23RD FEBRUARY, 2024

DR. RITU ARORA  
MS. TEENA KORI  
MS. CHANDPREET KAUR  
CONVENORS

DR. RITU ARORA  
TEACHER-IN-CHARGE

PROF. PAYAL NAGPAL  
IQAC COORDINATOR

PROF. SWATI PAL  
PRINCIPAL

**College prayer by students of Sarang, the classical Music society of JDMC**

**Principal presenting memento to Prof. Dinesh Singh**

**Principal presenting memento to Prof. Geetha Venkataraman, one of the Advisory Board Member of ICPAM-2024**

**Dr. Ritu Arora, TIC, Department of Mathematics felicitating the Principal Prof. Swati Pal**

**Dr. Sharda Sharma Gautam felicitating the speaker Prof. Shobha Bagai**

**Dr. Tanu Gupta presenting the shawl and memento to the speaker Dr. Izhar Uddin**

**Prof. Dinesh Singh delivering the lecture**

**Scholar presenting the paper**

# Attendance

Attendance Sheet  
22-02-2024  
d 23-02-2024

S. No.	Registration Number	Name	Designation	Affiliation	Attender/Presenter	Title of the Paper	Signature
1	JDMC/ICPAM-24/01	Abdul Faiz Ansari	Research Scholar	University of Lucknow	Presenter	Couette flow through an anisotropic porous rotating channel	<i>[Signature]</i>
2	JDMC/ICPAM-24/02	Ajita Yasmin	Research Scholar	Aligarh Muslim University	Presenter	A few explicit properties of the extended Srivastava's triple hypergeometric function ${}_{10}F_9(z)$	Ajita
3	JDMC/ICPAM-24/03	Amit Gangwar	Research Scholar	H.N.B. Garhwal University Srinagar, Uttarakhand	Presenter	Enriched multivalued contractions on double controlled metric type spaces with an application	Amit
4	JDMC/ICPAM-24/04	Amit Kumar	Research Scholar	University of Delhi, Hansraj College	Presenter	Optimizing Sustainability in Multi-Echelon Closed Loop Supply Chain with Uncertainty	<i>[Signature]</i>
5	JDMC/ICPAM-24/05	Aneesh Panchal	Student	Delhi Technological University	Presenter	Predator Prey Scavenger modelling and Parameter estimation using Physics Informed Deep Neural Network Optimization	Aneesh
6	JDMC/ICPAM-24/06	Ankaj Kumar	Research Scholar	Jamia Millia Islamia	Presenter	A New Random Iterative Scheme and almost sure Stability in Banach Spaces	<i>[Signature]</i>
7	JDMC/ICPAM-24/07	Ankit Bisht	Research Scholar	University of Delhi, Ramjas	Presenter	Cloud enabled HAPS for future generation Networks: A Dependability Analysis	Ankit
8	JDMC/ICPAM-24/08	Anuj Kumar	Assistant Professor	Siddharth University, Kapilvastu, Siddharthnagar, Uttar Pradesh, India	Presenter	Some results of derivations on Hilbert algebras	Anuj
9	JDMC/ICPAM-24/09	Archana Yadav	Research Scholar	University of Delhi, Department of Mathematics	Presenter	An explicit second order uniformly convergent difference algorithm for an initial value problem associated to second order differential equations	Archana

10	JDMC/ICPAM-24/10	Ashish	Research Scholar	Birla Institute of Technology and Science Pilani (BITS Pilani), Pilani Campus	Presenter	Existence and Uniqueness Results for Complex Valued Fractional Differential Equation	Ashish
11	JDMC/ICPAM-24/11	Ayushi Kapoor	Research Scholar	University of Lucknow	Presenter	On certain models of Lie algebra $G_{2,0}$ and Gauss hypergeometric function using an integral transformation	Ayushi Kapoor
12	JDMC/ICPAM-24/12	Biswajit Taha	Assistant Professor	University of Delhi, Hindu College	Presenter	Metrically Levitin Polyak Well-Posed Parametric Set Optimization Problem.	<i>[Signature]</i>
13	JDMC/ICPAM-24/13	Charu Gupta	Research Scholar	Dr. B. R. Ambedkar University Delhi	Presenter	On $\beta$ -generalized derivations on prime rings	<i>[Signature]</i>
14	JDMC/ICPAM-24/14	Deep Kamal Sharma	Research Scholar	SRM Institute of Science and Technology Delhi NCR Campus Modi Nagar Ghaziabad U.P.	Presenter	Inventory System for Decreasing Items with Time and Price Dependent Demand Ratio	Deep Kamal Sharma 22/02/2024
15	JDMC/ICPAM-24/15	Deepika Sharma	Research Scholar	University of Delhi, Faculty of Mathematical Sciences	Presenter	Steepest wave in real modified Chaplygin drift-flux model consisting of source term	Deepika 22/02/2024
16	JDMC/ICPAM-24/16	Deepthi Jain	Research Scholar	Department of Operational Research, Faculty of Mathematical Sciences, University of Delhi	Presenter	Performance Analysis of Smart Healthcare Architecture	Deepthi
17	JDMC/ICPAM-24/17	Deepthi Kaur	Assistant Professor	University of Delhi, Mata Sundri College for Women	Presenter	High Accuracy Compact Difference Method for Two-Dimensional Fourth Order Parabolic Partial Differential Equations	Deepthi Kaur

18	JDMC/ICPAM-24/18	Dimpi	Research Scholar	University of Delhi, Department of Mathematics	Presenter	The Cohomology Classification of the Orbit Spaces of Free $Z_p$ -Actions on $S^n \times S^n$	Dimpi
19	JDMC/ICPAM-24/19	Divya	Research Scholar	University of Delhi, Department of Mathematics	Presenter	Shock wave structure in non-ideal dilute gas under variable Prandtl number	Divya
20	JDMC/ICPAM-24/20	Dr Umesh Kumari	Assistant Professor	University of Delhi, Daulat Ram College	Presenter	Analysis of N-policy Machine Repair model with reboot and recovery action	<i>[Signature]</i>
21	JDMC/ICPAM-24/21	Dr Vinod Kumar	Assistant Professor	M.D. University, Govt. College Baroda, Gohana (Sonapat)	Presenter	Economic Analysis of the Systems having Component under Warranty with Bath-Tub Curved Pattern	Vinod Kumar
22	JDMC/ICPAM-24/22	Dr. Bhawna Kohli	Assistant Professor	Sri Guru Nanak Dev Khalsa College	Presenter	Duality for Multiobjective Fractional Bilevel programming Problem	Bhawna
23	JDMC/ICPAM-24/23	Dr. Dileep Kumar	Assistant Professor	Government PG College Noida	Presenter	Numerical analysis of nonlinear time-fractional nonlocal subdiffusion equation using meshless method	Dileep
24	JDMC/ICPAM-24/24	Dr. R. Rajkumar	Assistant Professor	The Gandhigram Rural Institute (Deemed to be University)	Presenter	Achromatic number of generalized corona product of graphs	<i>[Signature]</i>
25	JDMC/ICPAM-24/25	Gaurav Sharma	Associate Professor	University of Delhi, Acharya Narendra Dev College	Presenter	Solving Zero-Sum Two-Person Matrix Game in Diophantine Linear Environment	Gaurav
26	JDMC/ICPAM-24/26	Govind Singh	Assistant Professor	University of Delhi, Shaheed Bhagat Singh College	Presenter	Anti-Difference Quadratic Compound Synchronization of Lorenz, Rossler, Modified Fincenz and Shimizu-Moricko Chaotic Systems	Govind

37	JDMC/ICPAM-24/37	Mohammad Arshad	Research Scholar	Aligarh Muslim University	Presenter	Fuzzy Neural network operator approximation	Mohammad
38	JDMC/ICPAM-24/38	Mohammad Fareed Ahmad	Research Scholar	Aligarh Muslim University	Presenter	DNA codes construction from skew cyclic codes	Mohammad
39	JDMC/ICPAM-24/39	Mohammad Saif	Research Scholar	Jamia Millia Islamia	Presenter	Boundary Value Problems: A Fixed Point Iterative Method	Mohammad
40	JDMC/ICPAM-24/40	Mohd Asim	Research Scholar	Aligarh Muslim University	Presenter	On study of $\mathbb{Z}_m$ in $v$ -additive cyclic codes and their applications	Asim
41	JDMC/ICPAM-24/41	Monika Niwas	Research Scholar	University of Delhi, Department of Mathematics	Presenter	Exploring lump soliton solutions and wave interactions using new Inverse ( $G'/G$ )-expansion approach: applications to the (2+1)-dimensional nonlinear Heisenberg ferromagnetic spin chain equation	Monika
42	JDMC/ICPAM-24/42	Mrs. Preeti Gupta	Research Scholar	Amity University Noida	Presenter	Some s-fold inequalities for rational functions with prescribed poles and restricted zeros	Preeti Gupta
43	JDMC/ICPAM-24/43	Nazim	Research Scholar	Aligarh Muslim University	Presenter	Randic Spectrum of the Weakly zero-divisor graph of the ring $\mathbb{Z}_n$	Nazim
44	JDMC/ICPAM-24/44	Neeharika Singh	Student	Delhi Technological University	Presenter	Linear Algebra in Engineering	Neeharika
45	JDMC/ICPAM-24/45	Nikita Mittal	Research Scholar	Manav Rachna University	Presenter	Some fixed point theorems under contraction conditions using linear and rational expression in dislocated metric space.	Nikita

46	JDMC/ICPAM-24/46	Nivedita	Research Scholar	University of Lucknow	Presenter	MHD Couette Flow in a channel partially filled with Porous Medium	Nivedita
47	JDMC/ICPAM-24/47	Oshika Singh	Student	Delhi Technological University	Presenter	On Recent applications of Fourier Transforms	Oshika
48	JDMC/ICPAM-24/48	Praveen Manju	Research Scholar	Indian Institute of Technology Delhi	Presenter	Derivations of Non-Commutative Group Algebras	<i>[Signature]</i>
49	JDMC/ICPAM-24/49	R. Anirudhan	Student	Amity University Noida	Presenter	2 - complex symmetric composition operators on Bergman space	R. Anirudhan
50	JDMC/ICPAM-24/50	Rachna	Research Scholar	SGT University	Presenter	Fixed point results for specific type of Weak-Generalized $F^*$ -contractions mappings in extended rectangular b-like metric space	<i>[Signature]</i>
51	JDMC/ICPAM-24/51	Ramkant Prasad	Research Scholar	NIT Delhi	Presenter	Climatology and Variability of Wind Speed and SWH along Indian Coastal Region	<i>[Signature]</i>
52	JDMC/ICPAM-24/52	Rashi	Research Scholar	University of Delhi, Delhi	Presenter	Investigating the role of nanoparticles and predator-harvesting in a phytoplankton-zooplankton-fish model	Rashi
53	JDMC/ICPAM-24/53	Renu Gautam	Research Scholar	Sharda University, School of Basic Sciences and Research	Presenter	Investigating the Impact of Inflation on Inventory Systems: Time-Dependent Quadratic Demand, Time-Variant Deterioration, and Shortage	Renu
54	JDMC/ICPAM-24/54	Riya Baby	Assistant Professor	CHRIST (Deemed to be University) Delhi NCR	Presenter	Thermal Behavior of Micropolar Fluids: Linear Stability Analysis of Rayleigh-Bénard Convection with Porous Medium and Heat Source/Sink	Riya

55	JDMC/ICPAM-24/55	Ruchita Sareen	Student	Delhi Technological University	Presenter	Spectral Theory of Operators in Quantum Mechanics	<i>Ruchita</i>
56	JDMC/ICPAM-24/56	Sahil	Research Scholar	Indian Institute of Technology Indore	Presenter	Stable Sampling and associated density conditions associated to Multiplication invariant spaces	
57	JDMC/ICPAM-24/57	Sameeksha Tiwari	Research Scholar	Banasthali Vidyapith	Presenter	Certain finite Integrals involving the product of the generalized Struve function and Jacobi polynomial	<i>Sameeksha</i>
58	JDMC/ICPAM-24/58	Sameera Iqram	Student	University of Lucknow	Presenter	Convergence of Lagrange-Hermite interpolation using non-uniform nodes on the unit circle	<i>Sameera</i>
59	JDMC/ICPAM-24/59	Sandeep Kumari	Research Scholar	K R Mangalam University, Gurugram	Presenter	Fractional Gabor Systems: A Comprehensive Exploration from Theoretical Foundations to Transformative Applications in Signal Processing	
60	JDMC/ICPAM-24/60	Sandeep Saini	Research Scholar	Banasthali Vidyapith	Presenter	An EOQ Model for Deteriorating Items with Sinusoidal Demand Function	
61	JDMC/ICPAM-24/61	Sapna Malhotra	Research Scholar	University of Delhi, Gargi College	Presenter	On Controlled g-frames in Hilbert Spaces	<i>Sapna</i>
62	JDMC/ICPAM-24/62	Shabir Ahmad Mir	Research Scholar	Aligarh Muslim University	Presenter	Some graph invariants of prime ideal sum graph of commutative ring	<i>Shabir</i>
63	JDMC/ICPAM-24/63	Shahnawaz	Research Scholar	Jamia Millia Islamia	Presenter	On Ordered Semihypergroup Containing Covered Quasi Hyperideals	<i>Shahnawaz</i>

64	JDMC/ICPAM-24/64	Shruti Aggarwal	Research Scholar	Delhi Technological University	Presenter	Entanglement detection in arbitrary dimensional bipartite quantum systems through partial realigned moments	
65	JDMC/ICPAM-24/65	Shubham Khansili	Research Scholar	The University of Sheffield, Faculty of Engineering	Presenter	PDE-based deployment with communicating leaders for a large-scale multi-agent system.	
66	JDMC/ICPAM-24/66	Shweta Singh	Research Scholar	University of Lucknow	Presenter	Conformal quasi hemi-slant Riemannian submersions from cosymplectic manifolds	<i>Shweta</i>
67	JDMC/ICPAM-24/67	Sonu Mehla	Assistant Professor	Gurugram University	Presenter	Interaction of waves in non-ideal magnetosplasma dynamics with dust particles	<i>Sonu Mehla</i>
68	JDMC/ICPAM-24/68	Sukhpal	Research Scholar	Department of Operational Research, University of Delhi	Presenter	Multi-Depot Multi-Satellite Multi-Compartment Vehicle Routing Problem	
69	JDMC/ICPAM-24/69	Swarup Bhowmik	Research Scholar	Indian Institute of Technology Kharagpur	Presenter	A structure theorem and left-orderability of a quotient of quasi-isometry group of the real line	
70	JDMC/ICPAM-24/70	Tasaduk Rashid Mir	Research Scholar	Jamia Millia Islamia	Presenter	Interplay of Fractional Ideals and Star Operations on Integral Domains	<i>Tasaduk</i>
71	JDMC/ICPAM-24/71	Usha Kumari	Research Scholar	Maharshi Dayanand University, Rohtak (Haryana)	Presenter	Super Graceful Co-maximal Subgroup Graphs of Some Cyclic Groups	
72	JDMC/ICPAM-24/72	Vandana Sharma	Research Scholar	Banasthali Vidyapith	Presenter	A study on Non-autonomous Discrete Dynamical Systems through Autonomous Discrete Dynamical Systems	<i>Vandana</i>

73	JDMC/ICPAM-24/73	Vikas Poply	Assistant Professor	I. G. University, Kishanpur Public College, Rewari	Presenter	Study of magnetohydrodynamic nanofluid flow over a stretched sheet with entropy generation	<i>Vikas</i>
74	JDMC/ICPAM-24/74	Vineet	Research Scholar	University of Delhi, Department of Mathematics	Presenter	A new iterative scheme for Reich-Suzuki-type nonexpansive operators with an application in Split Feasibility	
75	JDMC/ICPAM-24/75	Vipin Kumar Pandey	Research Scholar	Bennett, University	Presenter	Optimizing Static Trading Strategies Using Variance as a Timing Risk Measure in AR (2) Models with Exponents	<i>Vipin Kumar Pandey</i>
76	JDMC/ICPAM-24/76	Anshu Ranjan	Student	University of Delhi, St Stephen's College	Attendee		<i>Anshu</i>
77	JDMC/ICPAM-24/77	Bhim Sen Choudhary	Research Scholar	University of Lucknow	Attendee		
78	JDMC/ICPAM-24/78	Deepthi	Student	Guru Jambheshwar University, Haryana	Attendee		<i>Deepthi</i>
79	JDMC/ICPAM-24/79	Dev om	Assistant Professor	University of Delhi, Acharya Narendra Dev College	Attendee		<i>Dev om</i>
80	JDMC/ICPAM-24/80	Dr. Deo Datta Aarya	Assistant Professor	University of Delhi, Acharya Narendra Dev College	Attendee		<i>Dr. Deo Datta Aarya</i>
81	JDMC/ICPAM-24/81	Dr. Ashish Kumar Mittal	Assistant Professor	University of Delhi, Shyama Prasad Mukherji College For Women	Attendee		<i>Dr. Ashish Kumar Mittal</i>
82	JDMC/ICPAM-24/82	Jewel Mariya John	Student	University of Delhi, St. Stephen's College	Attendee		<i>Jewel Mariya John</i>

83	JDMC/ICPAM-24/83	Kunal	Student	University of Delhi, St. Stephen's College	Attendee		<i>Kunal</i>
84	JDMC/ICPAM-24/84	Ritika Verma	Alumni	Indian Institute of Technology Guwahati	Attendee		<i>Ritika</i>
85	JDMC/ICPAM-24/85	Ritu	Research Scholar	University of Delhi	Attendee		<i>Ritu</i>
86	JDMC/ICPAM-24/86	Sandeep Sharma	Research Scholar	Dr. B. R. Ambedkar University Delhi	Attendee		<i>Sandeep</i>
87	JDMC/ICPAM-24/87	Saurabh Dhar	Research Scholar	University of Delhi, Department of Mathematics	Attendee		<i>Saurabh</i>
88	JDMC/ICPAM-24/88	Vikas Jorwal	Assistant Professor	University Of Delhi, Sri Venkateshwar College	Attendee		<i>Vikas</i>
89	JDMC/ICPAM-24/89	Siddharth Singh	Assistant Professor	MMIT Government Polytechnic Kanpur Dehat	Attendee		<i>Siddharth</i>
90	JDMC/ICPAM-24/90	Sakshi Dang	Research Scholar	Department of Mathematics, Indian Institute of Technology Bombay	Presenter	On the Automorphisms and the Enumeration of Minimum Weight Codewords of Affine Cartesian Codes	<i>Sakshi</i>

## **SYMPHONY: MATHS MASHUP, Feb 1, 2024**

The Department of Mathematics, Janki Devi Memorial College, University of Delhi organized “Maths Mashup: The Short Film Competition” under the college's annual cultural festival “Symphony'24” on 1st February 2024, from 11:30 pm in room number 68.

Dr. Sandeep Bhatt from Ram Lal Anand College was invited as the external judge for the event.

The event started with the felicitation of the external judge as well as the internal judges and briefing the teams about the rules of the competition. The competitors showed their creativity and talent through their short films. The event concluded with a heartfelt address from one of the internal judges Dr. Ritu Arora and certificate distribution.

### **Learning Objectives**

- Foster creativity and teamwork in presenting math concepts.
- Enhance communication skills.
- Integrate technology with mathematics.

### **Learning Outcomes**

- Creatively represent math concepts.
- Communicate ideas effectively.
- Work collaboratively.
- Utilize technology proficiently.

The winners of the competition were as following

The first place winners:

**Nilabh Gahlot**

**Aryan Katiyar**

**Kiran Chauhan** from G.D. Goenka University

The second place winners:

**Sarthak Bhardwaj** from Hansraj College

The third place winners:

**D. Mahitha Rao**

**Mansi Nautiyal**

**Gungun Kumari** from Maitreyi College

### **Poster of the competition**

Felicitation of the external judge as well as internal judges

Dr. Ritu Arora addressing the participants

**Judges honouring the participants with certificates**

## **SYMPHONY: UNVEILING MATHEMATICS January 31, 2024**

The Department of Mathematics, Janki Devi Memorial College, University of Delhi organized “Unveiling Mathematics: Treasure Hunt Competition” under the college's annual cultural festival

“Symphony'24” 31st January 2024, from 11:30am in room number 13. The event was carried out in two rounds. The event began with the briefing of the participants about the rules of the competitions. The first round was a mathematics based quiz round which required the teams to attempt the provided set of questions in the given time frame. The top 5 scorers were promoted to the second round. In the second round the teams were provided with clues related to the treasure hunt locations using which they had to navigate their way through the college to arrive at the final location. A total of 25 teams participated.

The winners of the competition were as following

The first place winners:

**Agampreet singh**  
**Ram Gopal Chawala**  
**Ishar Singh Ghumar**

The second place winners:

**Ritik Marwah**  
**Anash Saifee**  
**Garv Rajput**

The third place winners:

**K.P. Malvika**  
**Garv Purohit**

Special mention certificate for highest score in first round:

Mehar Sharma  
Srishti Saluja from Janki Devi Memorial College

**Learning Objective:** Enhance problem-solving, critical thinking, and teamwork through applied mathematical concepts in a fun, interactive competition.

**Learning Outcomes:**

1. Apply mathematical concepts to solve problems.
2. Improve problem-solving and critical thinking.
3. Foster teamwork and effective communication.
4. Develop time management skills.
5. Increase interest in mathematics.

**Poster of the competition**

## Honoring the participants with certificates

## Mentoring Session: Choosing DSE options wisely

A Mentoring session to apprise students about the DSE options that are being offered by the Department of Mathematics in the Semester VI of the Academic Session 2023-24 was organized on November 21, 2023 by the Department of Mathematics in room 14.

Program Coordinator Ms. Sonia introduced the mentors of the session and gave the introductory remarks.

Mr. Vikendra Singh informed the students about the DSE-3 option Introduction to Information Theory and Coding, Mr. Laxmi Kant about Biomathematics.

Mr. Shankar discussed the DSE-4 option Number Theory and Dr. Tanu Gupta informed about Linear Programming and Applications.

Queries of students were taken and solved. The students found the session really helpful and Majority of the students felt that the session helped them in choosing the DSE option.

**Objective-** To give the students an introduction to the various DSE Courses to help them choose the most relevant option for the new semester.

**Learning Outcome-** The students gained an understanding of the various courses and the mentoring session helped them choose the DSE for Semester IV

### **Extension and Outreach Activities**

A sum of 4000 Indian Rupees was transferred to Love Care Foundation - Community first initiative, Centre for Extension and Outreach activities under the aegis of IQAC in collaboration with LOVE CARE FOUNDATION organizes DONATE A THALI. The collection drive continued until 10th Nov 2023.

**Total 3670 collection done by our dept**

**1HA-Rs 1150**

**2HA-Rs 20 (given by one student)**

**Rs 2500 collected by teachers. Thanks to all those who have contributed.**

## **RESEARCH METHODOLOGY WORKSHOP**

The Department of Mathematics, Janki Devi Memorial College, University of Delhi under the aegis of the Research Centre and IQAC held a workshop on “Research Methodology”. The workshop was held on 27th October 2023, from 11:45 am in room number 14. The speaker for the session was Dr. Vandana Rajpal an Associate Professor at Shivaji College, University of Delhi. The session was attended by 120 students.

The workshop started with a brief introduction of the speaker followed by a felicitation of Dr. Vandana Rajpal by Dr. Ritu Arora with a planter soon after inviting the speaker to address the audience. After giving an introduction to what research exactly is, she went on to explain different methodologies existing in the research field. She also informed the audience about the key pointers to keep in mind while writing a research paper including points like the percentage of plagiarism and similarity accepted and citation and quotations allowed as well. She also mentioned the appropriate order of writing a bibliography for research papers.

The workshop was highly interactive with the students occasionally asking questions and doubts and the faculty members also vouching into discussing making the workshop even more informative.

**Objective-** To understand the methodology of writing an appropriate research paper

**Learning Outcome-** The students learnt about the various pointers needed to be kept in mind for a good research paper, how to write a proper bibliography and how to keep check of the plagiarism percentage etc.

## CAREER COUNSELLING SESSION BY ALUMNA

The Department of Mathematics, Janki Devi Memorial College, University of Delhi in collaboration with the JDMC Alumnae Association organized a career counseling session on “Building a Gainful Career instead of Just Getting a Job”. The session was held on 18th October, 2023 from 11:45 am in room number 14. The speaker for the session was Ms. Aparna Nayyar, an alumna of the Department of Mathematics of the batch 2013-16. The speaker was welcomed by Dr. Sharda G. Gautam, Ms. Teena Kohli and Ms. Chanpreet Kaur with a memento. The speaker started the session by emphasizing the importance of asking questions in life and expressed how this helped her find her interest in clinical psychology. She went on to explain the need of a scheduled life and the importance of sleep schedules as well as reminded the audience to eat healthy and plenty to help increase retention capacity. She also informed the audience about a lot of psychological tricks and methods to increase concentration to help them in the long run. The session ended with an informative question answer segment.

The session was extremely interactive and informative for the students and the faculty members. It was attended by 117 attendees including students from the Department of Mathematics as well as the other departments.

Objective- To guide students in building a plentiful and gainful career rather than just getting a job

Learning Outcome- The students learnt the different ways through which they could explore their interests more and find a job that resonates with them as well as gained insight on how to lead a lifestyle that helps one perform most efficiently.

### **Freshers' 2023**

The Department of Mathematics at Janki Devi Memorial College hosted a spectacular Freshers' Party on October 5, 2023, from 9:30 AM to 12:00 PM, in their elegant auditorium. The event was a vibrant gathering, attended by the entire department, including students and faculty. Dr.

Ritu Arora, the Teacher Incharge of the Department, set the tone for the day with her warm welcome speech, fostering an atmosphere of camaraderie and excitement. The occasion was graced by the presence of Prof. Swati Pal, the esteemed Principal of Janki Devi Memorial College, whose inspirational words left the new students feeling motivated and encouraged.

The Freshers' Party featured a unique theme, 'Famous Who,' and included the Miss Freshers' Competition, which commenced with an impressive Ramp Walk. The participants showcased their confidence and style, leaving the audience in awe. Following this, the results of the Ramp Walk were announced, creating an atmosphere of anticipation and excitement among the attendees.

The event continued with a thrilling Quiz Round, where the participants demonstrated their knowledge and quick thinking. Prior to the quiz, the rules were explained to ensure fair play, and the round was conducted seamlessly. The results of this round brought both cheers and a sense of accomplishment to the participants.

Throughout the Freshers' Party, there were numerous captivating performances by students from the second and third years, which added a delightful layer of entertainment to the event, making it a memorable day for all in attendance.

**The three winners were felicitated by gift vouchers.**

**Miss Freshers': Kanika**

**First Runner-up: Swarnanki**

**Second Runner-up: Palak**

The festivities concluded on a gracious note with a Vote of Thanks, expressing gratitude to everyone who contributed to the success of the event. The Freshers' Party at the Department of Mathematics, Janki Devi Memorial College, was an engaging and spirited occasion, welcoming new students with warmth and camaraderie while setting the stage for an exciting academic journey.

Objective- To warmly welcome the First year students as well as initiate the interaction between the seniors and the juniors.

Learning Outcome- The second and third year students performed gracefully for the welcoming of their juniors which created a very friendly ambience for the start of the new Semester.

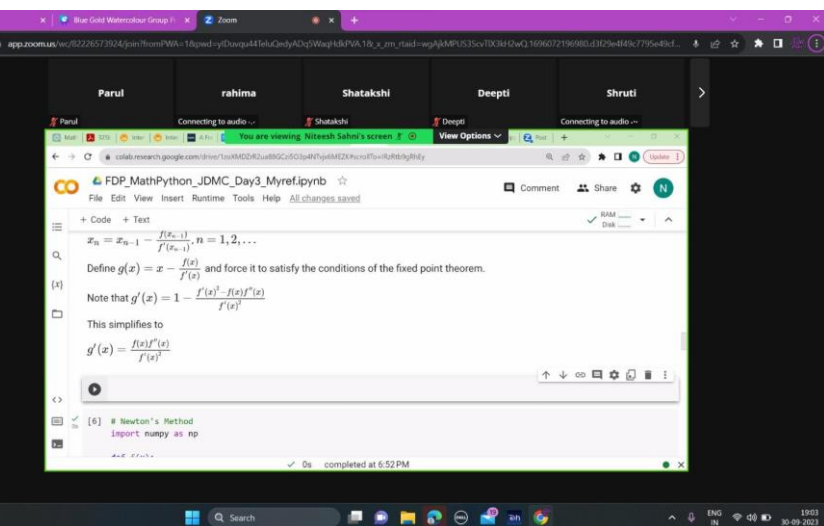

### **Workshop on “Mathematical Computing Through Python”**

The "Mathematical Computing Through Python" workshop, organized by Janki Devi Memorial College, Delhi University, online via the Zoom app from September 28th to September 30th, 2023, was an enlightening and engaging experience for all participants. The workshop was graced by Dr. Niteesh Shahni, an esteemed associate professor from Shiv Nadar University, who served as the speaker. The event commenced with a warm welcome and a brief introduction of Dr. Shahni by the TIC, Dr. Ritu Arora. Over the course of three days, participants were introduced to the diverse applications of Python in mathematical computing. From the fundamental concepts to the intricacies of programming constructs, attendees explored the language's potential and versatility. The workshop covered topics such as variables, data types, control flow, functions, and the utility of libraries like NumPy and Matplotlib. The sessions were interactive and thought-provoking, ensuring that each participant gained a deeper understanding of mathematical computing through Python. The event concluded on a high note with a vote of thanks extended by Ms. Geetanjli Raiya, expressing gratitude to Dr. Shahni and all the participants for their active engagement and enthusiastic participation. The "Mathematical Computing Through Python" workshop was an excellent platform for enhancing our computational skills and mathematical acumen through the power of Python programming.

Objective- To introduce the students to the various techniques for mathematical computing in Python and the language's potential.

Learning Outcome- The students learnt about the different fundamental concepts of python and enhanced their understanding of mathematical computing through Python

### **"Maths Minds" - The Maths Quiz**

The Math Department of Janki Devi Memorial College, Delhi University, organized an intra college quiz event **"Maths Minds"** that attracted participants from various academic backgrounds on 21st September 2023. The event commenced with a warm welcome and introduction by the organizers, setting the stage for an engaging competition.

The quiz adhered to a set of well-defined rules and regulations, ensuring fairness and impartiality throughout the competition. Each of the 19 participating teams demonstrated their knowledge and problem-solving skills in three challenging rounds, which encompassed a wide range of mathematical concepts and applications.

Furthermore, in the spirit of holistic learning, the quiz event incorporated a segment on G-20, where participants were tested on their understanding of global economic dynamics and international relations.

The event concluded with a heartfelt vote of thanks to the participants and organizers for their contributions to the success of the quiz. It was a memorable and educational experience for all involved, showcasing the academic excellence fostered by Janki Devi Memorial College's Math Department.

Based on the final round, three participating teams were declared as the winners of the event. The results were announced by Dr. Ritu Arora. The winners were awarded with cash prizes of Rs 3000 (1st), Rs 2000 (2nd) and Rs 1000 (3rd).

The winners of the event are as follows:

**1<sup>st</sup> Runner-up: 1st position - Parul and Mahima**

**2<sup>nd</sup> Runner-up - Vanshika and Jasmin**

**3<sup>rd</sup> Runner-up -Disha and Shuva**

The whole event turned out to be very informative and knowledge enriching for both participants and the audience.

Objective- To challenge the students from various academic backgrounds to various rounds of puzzles and problem related to different concept of Mathematics and its application

Learning Outcome- The students showed their problem solving skills and knowledge of mathematics to solve through various rounds.

## **Orientation Session for B. Sc. (Hons.) Mathematics I Year**

The Department of Mathematics, Janki Devi Memorial College, University of Delhi organized its "Orientation Programme" for the first-year students of B.Sc. (H) Mathematics (Batch 2023–2027) on August 17, 2023, at 10:00 A.M. in Room No. 14.

The orientation commences with a brief video showcasing highlights of the college and department's activities. All the students were briefed about the department's faculty members and different college societies by Student's Union Members.

Dr. Sharda Sharma Gautam, our senior faculty member, and Dr. Ritu Arora, the Teacher-in-Charge of the Department of Mathematics, provided students with crucial information regarding the college's rules and regulations. Dr. Tanu Gupta and Ms. Sonia explained the framework of the National Education Policy (NEP) to students and encouraged students to ask questions, and the Mathematics Department's faculty members were available to address their queries.

The first-year students received a warm welcome from both their peers and the faculty members, who extended their heartfelt greetings and best wishes for a fulfilling experience in the mathematics department at Janki Devi Memorial College.

The orientation saw active participation from 55 students and proved to be highly engaging and interactive.

Objective - The objective of first-year orientation is to help new students transition smoothly into college life by providing essential information, resources, and support to ensure their academic and personal success.

Learning Outcome - The learning outcome of the first-year orientation is to equip students with essential information, resources, and a sense of belonging to successfully navigate their academic journey and campus life.

### **Orientation Session for B. Sc. (Hons.) Mathematics I Year (For Electives of Semester III NEP)**

Department of Mathematics, Janki Devi Memorial College, University of Delhi in collaboration with the NEP Implementation Committee under the aegis of IQAC organized an Orientation programme on 04-07-2023 at 12 noon for II year students of B.Sc.(H) Mathematics in room no. 14 to apprise students about the papers offered as DSE, GE, SEC, and VAC in 3rd semester.

At the beginning of the event, students were informed about the structure of the 3rd semester under UGC scheme by our TIC Dr. Ritu Arora, Dr. Tanu Gupta and Ms. Sonia. They were also informed about the pool of DSE, GE, SEC and VAC papers available to them in 3rd semester. After that Mr. Laxmi Kant, Mr. Vikendra Singh and Mr. Shankar gave brief descriptions about DSE papers and Dr. Rakesh, Ms. Geetanjali Raiya, Dr. Anuradha, Mr. Vikendra Singh, Dr. Manish Chauhan and Dr. Narayan Singh explained about SEC and VAC options. The session was attended by 51 students.

At the end, students addressed the concerned teacher with their concerns over the available papers. It ended up being an engaging session.

**Objective** - To give students a brief description about options in subjects of DSE, SEC and VAC so that they can choose papers after analyzing their importance and significance for them in the future.

**Learning Outcome** - Students got a clear understanding of the subjects to choose in 3rd semester.

### **Orientation Session for B. Sc. (Hons.) Mathematics III Year (For DSE options in Semester V)**

An online meeting to apprise students of B.Sc. (Hons) Mathematics II year about the DSE options in Semester 5 was held on July 1, 2023 at 5 PM. Dr. Ritu Arora, Ms. Teena Kohli, Mr. Laxmi

Kant, Dr. Tanu Gupta, Ms. Sonia and Ms. Chanpreet Kaur informed students about the papers offered as DSE-1 and DSE- 2 options and explained in detail the contents of the papers offered.

At the end, queries of the students were solved and a link of DSE option form was floated after the meeting.

The meeting was attended by about 50 students.

Objective - To give students a brief description about options in subjects of DSE-1 and DSE-2 options.

Learning Outcomes - Students have some clear understanding of the DSE subjects to choose in next semester.
