A Talk on Data Analysis Tools: MS Excel

Name of the event:	A Talk on Data Analysis Tools: MS Excel
Date:	17 october,2025
Name of the organizer(s):	Department of Mathematics in collaboration with ICT Committee
Type of the event: (intra-college/inter-college/ state/ national or any other collaboration)	Intra-College
Objectives of the event:	To familiarize students with the analytical and computational features of MS Excel
Name and Affiliation of the Resource person (if applicable):	Prof. Amita Charan, Ms.Vaishali Narolia
No. of participants:	62

The Department of Mathematics, in collaboration with the ICT Committee of Janki Devi Memorial College (under the aegis of IQAC), organized an informative session on Data Analysis Tools: MS Excel on 17 October 2025 in Computer Lab 3). The session aimed to familiarize students with the analytical and computational features of MS Excel and its importance in managing and interpreting data effectively.

The talk was conducted by Prof. Amita Charan (ICT Committee Convenor) and Ms. Vaishali Narolia, who shared valuable insights on the use of Excel as a versatile tool for data analysis. The speakers explained essential features such as data sorting, filtering, conditional formatting, and pivot tables, along with practical demonstrations of important functions like AVERAGE, COUNTIF, VLOOKUP, and CORREL.

The session was highly interactive, as students were encouraged to practice along with the speakers. Both resource persons emphasized the relevance of Excel in academic research, project work, and professional data management. Their step-by-step explanations and real-time examples made complex analytical tools easier to understand and apply.

The event concluded with a vote of thanks delivered by the organizing team. Special appreciation was extended to Prof. Ritu Arora and Prof. Amita Charan, Convenors of the ICT Committee, for organizing and collaborating with the department to make the event a success. The session proved to be extremely beneficial, equipping students with valuable practical skills in data analysis using MS Excel.

Name of the event:	Session on “Gender oppression and its most potent weapon”
Date:	31 october,2025
Name of the organizer(s):	Department of Mathematics
Type of the event: (intra-college/inter-college/ state/ national or any other collaboration)	Intra-College
Objectives of the event:	To familiarize students with the analytical and computational features of MS Excel
Name and Affiliation of the Resource person (if applicable):	Dr. Rupplekha Khullar
No. of participants:	47

The Department of Mathematics of Janki Devi Memorial College (under the aegis of IQAC), organized a session on Gender Oppression and Its Most Potent Weapon on 31 October 2025 in Room no. 14. The session aimed to spread awareness on gender inequality and gender oppression and to teach students to fight for their rights and to fight against all kind of violence against gender.

The talk was conducted by Dr. Rupplekha Khullar, who shared her valuable insights on gender oppression and its most potent weapon. The speaker explained essential issues regarding patriarchy system, gender inequality, difference between sex and gender, rights for women, mindsets on gender of common people and slow changing of society on these topics.

The session was highly interactive, as students were encouraged to talk with the speaker. The speaker emphasized the relevance of gender oppression in cooperative society, or in academic societies and in personal life. Their step-by-step and real time examples made complex ideology of society easier to understand.

The speaker was felicitated by TIC Dr. Teena Kohli. The event concluded with a vote of thanks delivered by the organizing team. The session was extremely beneficial, teaching students their rights and the importance of gender equality
