JDMC-IQAC

‘Cyber Security and Using Mobile Apps Effectively and Secured Banking Transactions through UPI

A session was conducted by the IQAC in collaboration with ICT and Automation Cell, JDMC, on the topic of ‘Cyber Security and Using Mobile Apps Effectively and Secured Banking Transactions through UPI’ on March 12th, 2024.

This session was open to all the Non - Teaching Staff members of JDMC. It was very well attended and the resource persons went through the various ways in which we can remain secure during online transactions. The session was bilingual and was followed by an interactive session with the resource persons.
