Initiatives undertaken by the IQAC in 2018-2019

Major initiatives:

- Constitution of the Internal Audit Committee and commencement of Internal Audit of Administrative and Accounts sections.
- Constitution of a three-tiered Grievance Redressal Mechanism to manage academic and administrative issues.
- Formation of the Research Committee to monitor research activities in the Institution
- Facilitation of seed money for research amounting to Rupees Ten Lakhs per annum, through the Vidyawati Foundation, for a period of two years. The total amount was utilised in funding nine research projects.

Academic and administrative activities:

- Two Day LIBSYS Workshop for Library Staff on 18 and 19 June 2019.
- Training Programme for Non-Teaching Staff on 13 June 2019.
- Session on 'Help students and faculty explore study and research options available in United States in America' on 26 October 2018.
- Session on 'Higher Education Opportunities in Canada for students and research fellowships for faculty' on 24 October 2018.
- Interactive session on 'Financial Literacy' on 26 September 2018.
- Collaboration with IGNCA to conduct a workhop on 'Digitization and Conservation of Documents' for library staff on 15 and 22 June 2018.
- FDP on 'Introduction to R Programming' on 3 May 2018.
- Collaboration with ATS InfoTech Pvt Ltd to provide international certifications and training to students.
- Plan to introduce three new Science courses Operational Research, Statistics and Computer Science. The required inspection has been completed and the College is awaiting the University's approval for the same.

Infrastructural initiatives:

- Installation of a LED board in the foyer of the college to facilitate dissemination of information.
- Construction of a research room for the faculty in the library.
