The Student's Union of Janki Devi Memorial College in collaboration with Avani-The Environment Club and Upvan- The garden club undertook a plantation drive in observance of World Environment Day on 5th June, 2025 under the theme of "Ending Plastic Pollution".

The event commenced with the plantation drive. AVANI- The Environment Club of JDMC took this endeavour a step further through plastic and waste paper recycling activities in collaboration with Scrap Uncle. With the motto that every sheet saved is every tree preserved, the club ardently contributed to climate action.

Furthermore, harvested jackfruits were plucked from the college front lawn, near the JDMC Triangle and distributed amongst the gathering of teachers, students and gardeners. This was aimed at promoting organic farming as we celebrated the green and fertile gardens.
